About

P!ZZA☆PARTi (pronounced “Pizza Party”, nicknamed “Pizapa”) is a six-member idol group based in Tokyo. Announced on 26 June 2026, they made their live debut at Shimokitazawa MOSAiC on 20 August 2026.

Their world brings together school culture, street style and the bold, upbeat spirit of Japanese gyaru culture. With “Topping the world with light” as their concept, the circle of a pizza and the idea of PEACE become an invitation to turn everyday moments into a PARTY.

On stage, high-energy songs give way to heartfelt ballads, creating a set with both momentum and contrast. Through free-admission shows as well as other live appearances, they are growing their PARTY from small live venues outward.
